Property Description

New development of 8 semi detached villas in Guardamar Hills. Each villa has 4 bedrooms and 4 bathrooms. The villas will all be completed to high specifications and standards.

The constructed area is 171m² in each villa but plots vary from 148m² to 205m². Terrace areas vary from 116m² to 174m².

Each villa has a games room space on the second floor.

Prices start at 434,500 euros depending on the size of the property. Additional extras such as pool, white goods and air conditioning can be ordered.

Both pilot properties are almost finished (as at February 2023) so these are ready for clients to view.
