Property Description

This fantastic property is built on a plot of 575 m2 and has 130 m2 of constructed area. Big beautiful garden with swimming pool, BBQ, parking space for up to 2 cars, tall fence, so the house is not seen from the street. The house is accessed through a spacious glazed terrace. The living space is distributed between a big lounge area with fireplace and open-type kitchen. There is access to the backyard from the kitchen. The house has 3 spacious bedrooms with huge built-in wardrobes. 2 bathrooms, one with walk-in shower and floor heating, another one with bathtub. This house also has a large roof terrace, which is accessed from the garden. All windows in the house were changed to double glazed wind...
