Property Description

We are excited to have this large and traditional home. Huge plot, large rooms and thousands of possibilities.

It is an independent chalet with a traditional and rustic style. It has 4 bedrooms and two bathrooms, a large living room and a huge independent kitchen. It has a large plot where you can build a private pool, have a garden or any whim that requires land. It has a huge garage with a storage room that can fit more than four cars.

In short, a great town house with many possibilities and where you can build your own dreams.
